LADIES SONG

Tonight we are met to do honour,
To the Ladies all Masons adore,
We pledge them all joy and contentment,
And Freedom from care evermore.
To Mothers, Wives, Sisters or Sweethearts,
True Masons can never do wrong.
We all love the Ladies, God bless them,
And here's to their health in a song.

*And here's to their health,
Here's to their health,
And here's to their health in a song.*

So Brethren guard them dearly,
Let nothing come amiss,
Console them in their sorrows,
And join with them in their bliss.
May happiness be their portion,
To drive out all grief and tears,
With fond loving care support them,
As you have done throughout the years.

*And here's to their health,
Here's to their health,
And here's to their health in a song.*

To the wife of our Worshipful Master,
Our dutiful homage we pay,
May her joys be as wide as the ocean,
Her sorrows as light as its spray.
For years she's looked after our Master,
And cheerfully helped him along.
Long life to the Lady we honour,
And here's to her health in a song.

*And here's to her health,
Here's to her health,
And here's to her health in a song.*
